

Responsibilities

The specific responsibilities of this department include:

- **Providing timely and accurate monthly accounting reports reflecting all major revenues and expenditures.**
- **Providing accounting support to the university community.**
- **Preparing the Annual Financial Report for submission to the Texas A&M University System and the Texas State Comptrollers Office.**
- **Providing the Texas A&M University System and the Texas State Comptrollers Office with various financial reports on a monthly, quarterly, yearly, and as needed basis.**

It is the intent of the Accounting Department at Texas A&M-Corpus Christi to provide service to the university community in a professional and friendly manner. We continue to look for ways to increase performance and improve quality.
