FAMIS (Financial Accounting and Management Information System) is the electronic accounting system used by the Texas A&M University System. FAMIS Services at System Headquarters maintains the software; however, they do not provide support for all FAMIS users. Instead, each TAMU system part has its own security and training support. The Accounting Services Department at Texas A&M University – Corpus Christi provides support for over 400 FAMIS users at TAMUCC. The TAMUCC Security Helpline can be reached at extension 3614.
