COVID-19 Lost Revenue FAQ’s

1. Can we provide lost revenue due to a cancelled event?
   - Yes. It is unlikely we will be reimbursed for lost revenue but I’m sure there will be those that want to know the total amount.

2. Do I report grants or gifts we are not going to receive due to COVID?
   - Yes. This will be counted as lost revenue. Please add comment of what these funds would have been used for, i.e. scholarships, student research opportunities, etc.

3. If I am unable to bill for services, due to work that was on hold due to COVID, would I include this as lost revenue?
   - No, if worked has halted due to COVID, and once work resumes, you will bill at a later date, this would not be recorded as lost revenue.
